

UNIVERSITY SELECTION

SPECIAL OFFER OF ADMISSION TO GENERIC CANDIDATES TO PURSUE STUDIES THROUGH OPEN, DISTANCE AND e-LEARNING MODE UNDER THE 2024/2025 HARMONISED PUBLIC UNIVERSITIES SELECTION

During the recent selection of candidates to public universities through the 2024/25 harmonised process coordinated by the National Council for Higher Education (NCHE) and announced by the Minister of Higher Education on Thursday, 27th February 2025, it was noted that some eligible candidates were not selected at that time due to inadequate classroom space in public universities under the face-to-face learning mode.

Mzuzu University (MZUNI) is a dual mode institution and believes that limited classroom space should not hinder the dreams of candidates to pursue university education. Therefore, with support from the Ministry of Higher Education and NCHE, a decision was taken to revisit the 2024/25 public university applicants' data bank, to select candidates most of whom had indicated MZUNI programmes of study in their choices, and offered them the opportunity to pursue their degree studies with MZUNI through the open, distance and elearning (ODEL) mode.

MZUNI is therefore pleased to announce names of generic candidates who have been selected to study their programmes through ODeL mode of delivery for the 2025/2026 Academic Year. Upon successful completion of their studies, the selected candidates will be awarded the same qualification attained by other candidates pursuing similar studies through the face-to-face delivery mode. This is a special initiative by Mzuzu University, introduced this year, as a response to the Ministry of Education's objective of increasing access to higher education through ODeL.

The names of the candidates being offered the places are as follows:

FACULTY OF HUMANITIES AND SOCIAL SCIENCES

BACHELOR OF ARTS (COMMUNICATION STUDIES) – 4 YEARS

Admission Offer Letters

The University is processing admission offer letters to be sent to all the candidates using their contact details which were submitted during application. The admission letters provide more information to the candidates and requests them to either accept or not accept the offer. Candidates who wish to update their contacts for receiving the letters should provide their new information through the e-mail shared below.

Commencement Date

The candidates who will accept the offers should report at the MZUNI's Main Campus at Luwinga in Mzuzu City on **Monday, 29th September 2025**. There will be a one-week general orientation for all new students to be conducted from Monday, 29th September 2025 up to Friday, 3rd October 2025.

After the general orientation, ODeL students will undergo another four-week period of face-to-face module orientation before proceeding for online learning from their respective places of residence.

ODeL Structure

MZUNI established the Centre for Open, Distance and eLearning (CODEL) to coordinate affairs of this mode of learning. The Main Hub is located at the Main Campus in Mzuzu. It is headed by the Centre Director.

CODEL has five purpose-designed Satellite Learning Centres located in different geographical areas with personnel, facilities and equipment to provide continuing student support and enhance their learning. Each Satellite Learning Centre has a Centre Manager, a Librarian and an ICT Officer to coordinate the provision of various student support services including tutoring arrangements aimed at achieving optimum student experience.

These Satellite Learning Centres are located in the following areas:

1. Karonga near Karonga Teachers' Training College;
2. Mzuzu at the CODEL Complex within the MZUNI's Main Campus;
3. Lilongwe at Area 25 near Lilongwe Teachers' Training College;

4. Balaka near Balaka Secondary School; and
5. Mulanje near Mulanje Secondary School.

As students commence their studies after the general orientation and module orientation at the Main Campus, they will be required to affiliate themselves with any of the Satellite Learning Centres which is nearest to their places of residence, for continuing learning support and examinations.

Fees and Mode of Payment

Malawian students are required to pay tuition fees amounting to **MK600,000** per academic year. The fees can be paid in full at the beginning of the academic year, or in two instalments at the beginning of each of the two semesters in an academic year. The first installment should be at least half of the annual fees. Additional fees include student union membership fee of MK2,000.00 per academic year, a student ID card processing fee of K5,100 and a medical examination processing fee of K6,500 which are payable once at the beginning of studies.

Mzuzu University's policy on fees is "No Fees, No Registration". Therefore, candidates will only be registered upon payment of the required fees in a given semester for them to obtain rights to access learning materials and other services, including academic assessments.

All fees should be deposited into the following bank account:

Name of the Bank : **National Bank of Malawi**
Account Name : **Centre for Open and Distance Learning**
Account Number : **1000080426**
Branch : **Mzuzu Service Centre**
Swift Code (for international transfers): **NBMAMWMW09**

Special Caution in Making Payments

Parents and Guardians are advised to use the official bank account given above to avoid being duped by tricksters who provide different bank accounts or mobile money wallets to defraud unsuspecting students or their sponsors. The University does not receive tuition fees through mobile money wallets such as Mpamba or Airtel Money.

There is a tendency by fraudsters to make telephone calls to candidates to pay fees, accommodation charges or to be given certain favours by the University. Please be on the alert against such temptation to avoid losing money anyhow. Report such callers to the Malawi Police Service or other security agents for criminal investigation.

Board and Lodge

All candidates are being offered admission on the understanding that they will pursue their studies from their respective homes through e-learning/online facilities. Candidates will be required to find their own accommodation off-campus and also provide for their transport,

meals and upkeep when they report for orientation at the Main Campus and during examinations at the Satellite Learning Centres.

National IDs, Original Certificates and Passport-size Photographs

All candidates are required to bring their national IDs, original copies of their academic certificates and two identical passport size photographs for registration purposes.

MZUNI congratulates all the successful candidates for being offered places to study at the University through the ODeL mode.

For further information, please contact the University Registrar's office using the following contact details:
